

Technical Training

07 / 2010 - 12 / 2010

satisloh
Academy

No.	Name	Target / Group	From	To	Duration	Language	Place	Price	AP*
01	AR Coating Technologies - Advanced AR Coating Technologies: Nature of light and electromagnetic spectrum; Calculation of refractive index "n" and absorption coefficient "k"; Refractive index and relative packing density; CIE-Lab colour coordinates; Optical behaviour of monolayer and multilayer; Colour uniformity and repeatability; Satisfactory multilayers (general description, coating calculation, PPDS, production flow, troubleshooting) Program can be modified according to specific customer request.	Laboratory managers, Laboratory supervisors, Machine operators with AR experience	05.07.10	07.07.10	3 days	English	Milan	1'695.00 €	1'295.00 €
			04.10.10	06.10.10	3 days	English	Milan		
			29.11.10	01.12.10	3 days	English	Milan		
02	Coating Plant (Box Coaters) - Vacuum Troubleshooting General description of plant; Vacuum production (pumps); Vacuum controls (gauges); Vacuum procedures (gases lines check, leak-rate test, pumping speed, autocalibration); Vacuum troubleshooting: How to use leak detector (on plant, on components) Practical leak simulation session	Machine operators, Service operators	12.07.10	14.07.10	3 days	English	Milan	1'695.00 €	1'295.00 €
			13.09.10	15.09.10	3 days	English	Milan		
			15.11.10	17.11.10	3 days	English	Milan		
03	Advanced Training for SL S9380/S9000 Control System Program internal structures (INI files, DLL, caller, PLC...); Recipes, reports and tools; System restore; Troubleshooting	Laboratory supervisors, Machine operators, Service operators,	19.07.10	21.07.10	3 days	English	Milan	1'695.00 €	1'295.00 €
			11.10.10	13.10.10	3 days	English	Milan		
			01.12.10	03.12.10	3 days	English	Milan		
04	Coating Plant (Box Coaters) - Use and Maintenance Physical optics; Thin film coating theory; Machine operation; Electrical components; Control system; Maintenance; Troubleshooting	Laboratory supervisors, Machine operators, Service operators	26.07.10	30.07.10	5 days	English	Milan	2'295.00 €	1'795.00 €
			27.09.10	01.10.10	5 days	English	Milan		
			22.11.10	26.11.10	5 days	English	Milan		
			13.12.10	17.12.10	5 days	English	Milan		
05	Coating Plant (SP-200) - Use and Maintenance Principles on sputter technology; Mechanical construction; El. components; Operating devices; Processing; Preventive maintenance; Troubleshooting	Machine operators, Laboratory supervisors, Service operators	04.10.10	07.10.10	4 days	English	Milan	1'995.00 €	1'595.00 €
			22.11.10	25.11.10	4 days	English	Milan		
06	US Cleaning and Hardcoating SL-201/501 Use and Maintenance General description of plant; Theory: Lacquering by dip process; Troubleshooting; Quality Control Practice: Maintenance; Troubleshooting	Machine operators, Laboratory supervisors, Service operators	20.09.10	22.09.10	3 days	English	Milan	1'695.00 €	1'295.00 €
			18.10.10	20.10.10	3 days	English	Milan		
			22.11.10	24.11.10	3 days	English	Milan		
07	Hardcoating Magna-Spin - Use and Maintenance General description of plant; Theory: Lacquering by spin process; Troubleshooting; Quality Control Practice: Maintenance; Troubleshooting	Laboratory supervisors, Machine operators, Service operators	11.10.10	12.10.10	2 days	English	Milan	1'395.00 €	995.00 €
			08.11.10	09.11.10	2 days	English	Milan		
			20.12.10	21.12.10	2 days	English	Milan		
08	Blocker-2000, Layoutblocker Mechanical construction; Adjustment and alignment; El. components; Operating devices; Software > operation; Software > update; Processing; Troubleshooting	Operators, Service staff	30.08.10	31.08.10	2 days	English	Wetzlar	1'395.00 €	995.00 €

No. Name	Target / Group	From	To	Duration	Language	Place	Price	AP*
09 Operation & Maintenance V-50 / V-75 Mechanical construction; Adjustment and alignment; El. components; Operating devices; Software > operation; Software > update; Processing; Troubleshooting	Operators	01.09.10	03.09.10	3 days	English	Wetzlar	1'695.00 €	1'295.00 €
10 Compact Lab with V-50 / V-75 Calculation (RXpert + RX/TX-Server); Blocking (Blocker-2000 bzw. Blocker-PRA); Generating (V-50 / V-75); Smoothing, polishing (Toro-X); El. + mech. components; Adjustment and alignment; Operating; Production process; Troubleshooting	Operators, Service staff	01.11.10	05.11.10	5 days	English	Wetzlar	2'295.00 €	1'795.00 €
11 Operation & Maintenance VFT-compact Mechanical construction; Adjustment and alignment; El. components; Operating devices; Software > operation; Software > update; Processing; Troubleshooting	Operators, Service staff	02.08.10	04.08.10	3 days	English	Wetzlar	1'695.00 €	1'295.00 €
12 Operation & Maintenance VFT-orbit Mechanical construction; Adjustment and alignment; El. components; Operating devices; Software > operation; Software > update; Processing; Troubleshooting	Operators	14.07.10	16.07.10	3 days	English	Wetzlar	1'695.00 €	1'295.00 €
		20.10.10	22.10.10	3 days	English	Wetzlar		
		25.10.10	27.10.10	3 days	English	Wetzlar		
13 Operation & Maintenance Toro-FLEX Mechanical construction; Adjustment and alignment; El. components; Operating devices; Software > operation; Software > update; Processing; Troubleshooting	Operators, Service staff	20.09.10	21.09.10	2 days	English	Wetzlar	1'395.00 €	995.00 €
		04.10.10	05.10.10	2 days	English	Wetzlar		
		14.10.10	15.10.10	2 days	English	Wetzlar		
		15.11.10	16.11.10	2 days	English	Wetzlar		
		29.11.10	30.11.10	2 days	English	Wetzlar		
14 Operation & Maintenance Duo-FLEX Mechanical construction; Adjustment and alignment; El. components; Operating devices; Software > operation; Software > update; Processing; Troubleshooting	Operators, Service staff	16.08.10	18.08.10	3 days	English	Wetzlar	1'695.00 €	1295.00 €
		23.08.10	25.08.10	3 days	English	Wetzlar		
		11.10.10	13.10.10	3 days	English	Wetzlar		
		17.11.10	19.11.10	3 days	English	Wetzlar		
		06.12.10	08.12.10	3 days	English	Wetzlar		
15 Operation & Maintenance ES-4 Mechanical construction; Adjustment and alignment; El. components; Operating devices; Software > operation; Software > update; Processing; Troubleshooting; Size adjustment	Operators, Service staff	06.09.10	10.09.10	5 days	English	Wetzlar	2'295.00 €	1'795.00 €
		08.11.10	12.11.10	5 days	English	Wetzlar		
16 Lab Processes All-Format General process instruction in protecting, blocking, generating, flexible polishing, engraving, measuring and process parameters. Basic knowledge of machine operation required!	Laboratory supervisors, Service staff	09.08.10	13.08.10	5 days	English	Wetzlar	2'295.00 €	1'795.00 €
		22.11.10	26.11.10	5 days	English	Wetzlar		

Training prices includes:
documentation on CD-Rom
lunch, snacks, beverages
hands on (if applicable)
transfer between accommodation and training facilities
certificate

* Additional participant (AP) from one customer
Invoicing at time of registration
Cancellations 3 weeks before start of training with full refund (except EBS: 10 % fee for all cancellations)

If you need more information for training from 01 to 07, please contact Mr. Di Paola directly: +39 02 33 55 62 19
If you need more information for training from 08 to 16, please contact Mr. Kerschner directly: +49 (0) 6441 912 0
